### Chapter 1 by Angela J.R

I am a normal kid in a normal high school in Toronto. I am not that bad at school, but at the same time, I am also not that great. So, I say, I am a neutral school kid.

I have some friends, John and Keith. They are not so normal, but they are more like outgoing people. They can do what I can't do. But it is okay, I still know what I can do; I don't really need to feel bad about it.

The rest of the school is normal—except this one girl makes the whole school uneasy. Astrid Wolfhart, the girl who is a beautiful yet vicious girl, is known as a Wolfheart, like her last name suggests.

She usually carries her shark tooth shaped pendent around her neck, barely covering her long scars on her collarbone. Her face is covered in freckles like a starry galaxy, shining when the sun touches her skin. She always hides her face with her red, straight hair, only revealing her icy cold blue eyes.

## Chapter 2 by Skeld

"Wh...what."I said stupidly."You...you talkin' to me?"

"Yep".She says calmly.

"Can...ummm...you repeat the question?"I asked somewhat calmly while I kicked and thrashed inside.Look,I'm gonna be honest with you.I'm not the Brad Pitt or Tom Cruise of school.I'm an alright kinda guy.But,she had like an exotic kinda beauty to her.Yeah sure,the other guys might think otherwise.But,hey! who cares.They're the other guys.I,my-humble-self had a CRUSH on her since the semester.CRUSH.As in a giant spaceship crashed on top of you whenever you see her.That kinda CRUSH.

"I said do you wanna go out with me?"she repeated calmly, staring into my soul with her icy cold eyes.

"Um...Sure.Does tomorrow sound good?"I mumbled.'IDIOT!Let her decide when's she wants to go.Now you've ruined it."

But,instead she said in her Sage kinda voice"Sure".

Then,the bell rang and I had to scat.Halfway to the locker room,I realized something:'YOU BIG BLOATED IDIOT!!!You should have asked her number'.

Then as if she read my thoughts,she appeared behind me.She put her hand on my shoulder and I rocketed to the moon and crashed into Earth again.Okay,that's pushing it,I jumped suddenly.She laughed then.Her laughter was like the best sound in the world. Wondrous yet mysterious.

I just stood there staring at her.

"You're so silly.Amazing,yet silly.Don't you want my number number."she said.

"Yeah..su..sure".Then she gave me my number and said to call her that evening.

"So,what say we meet tomorrow at the cafeteria by the lake"I asked finally finding the courage to speak.

"Sure,whatever"She said.

The next day something unexpected happened.
